ESTIMATED EXPENDITURES:

Cost of meals, lodging, transportation (air fare, taxi), registration fees, and telephone/fax/internet charges are considered proper expenditures. Lodging expenses will not be reimbursed for travel within 50 miles of home or College or for additional expenses for guests. Expenses shall be authenticated by valid receipts. Actual charges for registration must be verified by registration receipt or bona fide registration application form. In all cases charges should be reasonable for the time and place where the convention or meeting is held.

TRANSPORTATION

All employees will be expected to use the most economical mode of transportation where practical and in the best interest of the District. When an employee chooses a method of transportation that is more costly (for example, driving a personal vehicle instead of flying), reimbursement will be made at the lower amount. Some other allowable transportation related expenses are: parking fees; highway tolls; shuttles and taxi cabs. These expenses shall be authenticated by valid receipts.

Reimbursable transportation expenses include all necessary official travel on airplanes, railroads, buses, private vehicles and other usual means of conveyance. Rental cars will be reimbursed at compact rates. Claims for reimbursement must be supported by original ticket stubs or receipts provided by the commercial carrier.

MILEAGE

Local business mileage from the use of a personal vehicle shall be reimbursed at the prevailing IRS standard rate. If the employee travels directly to the conference from his/her residence or returns directly to his/her residence from the conference, the distance of the employee's regular commute will be subtracted from the total miles driven. (See AR 7400 Travel Expense Policy)

MEALS

Payments for meals, including gratuities, shall be reimbursed at no more than the subsistence rate of fifty (\$50) dollars per day except where reimbursement from another agency exceeds this limit. Education Code Section 32435 prohibits reimbursement for alcoholic beverages. If the employee does not provide receipts for his/her meals, reimbursement will be limited to \$6 for breakfast, \$10 for lunch, and \$18 for dinner. When the cost of a meal is included in a registration fee of a conference, no other allowance for that meal will be reimbursed.

CASH ADVANCE

A cash advance payment of estimated travel expenses is authorized for board members and employees on official business of the District under the following conditions:

1. Advances will be allowed for transportation (excluding mileage), lodging and registration fees only.
2. Persons requesting advance payment shall complete the appropriate request form, not less than 10 days prior to the need of advance.
3. Failure to finalize your claim within 30 days of your travel will preclude further cash advances.

Employees will be notified when the advance check is ready. The check may be picked up in the Accounting Department.

REIMBURSEMENT:

Costs for travel the day before conferences will only be reimbursed when it is not feasible.
